Please fill in this questionnaire (anonymously or not as you wish) and return it to us on any Friday night or to <u>info@goilin.com</u> What would you suggest for An Góilín into the next 40 years?

2. How can we address **gender balance** issues and encourage more women singers to come and be actively involved?

3. How can we involve more **younger singers** (18 yrs to 30 yrs) and encourage them to come and come regularly?

4. Ar mhaith leat aon rud eile a fheiceáil le h**úsáid na Gaeilge** agus le **hamhránaíocht na Gaeilge** a chur chun cinn? What suggestions would you make to develop and encourage **the active use of the Irish language** and **Irish language singing**?

5. What should be **our vision for the next 40 years** and what should we do on a practical level to move in that direction?
